Temporary Interruption of Water Service

Harrisonburg, VA – The City of Harrisonburg's Department of Public Utilities wants to provide notice that there is an upcoming repair on the water system infrastructure in the Old Town Neighborhood.

Throughout the rest of the week, three different water valves will be replaced, which are part of an ongoing process to fix broken or leaking valves within the water system in this specific area.

On Wednesday, November 20, Thursday, November 21, and Friday, November 22 from 7:30 a.m. until 9:30 a.m. tests on the water system will be performed. Customers should experience minimal interruption of services during this time.

On Wednesday, November 20 from 9:30 a.m. until 1:00 p.m. a valve will be replaced at the intersection of Mason Street and Paul Street. The water will be temporarily turned off on Mason Street, from Campbell Street to Grattan Street.

On Thursday, November 21 from 9:30 a.m. until 1:00 p.m. a valve will be replaced at the intersection of Mason Street and Grattan Street. The water will be temporarily turned off on Mason Street, from Paul Street to Cantrell Avenue.

On Friday, November 22 from 9:30 a.m. until 1:00 p.m. a valve will be replaced at the intersection of Mason Street and Campbell Street. The water will be temporarily turned off on Mason Street, from Franklin Street to Paul Street, and on Campbell Street, from South Main Street to Mason Street.

This schedule is subject to change due to weather conditions and other unforeseen conditions that are discovered during the repair.

Residents with questions may call the Department of Public Utilities at 540-434-9959.
